DETAILED ACTION

Amendment

1. Receipt is acknowledged of the amendment (after final) filed on August 4, 2003, which
5 has been entered. In the amendment claim 1 was amended. Currently, claims 1-5 remain for examination.

Allowable Subject Matter

2. Claims 1-5 are allowed.

10 3. The following is a statement of reasons for allowance: the claims are directed at a magnetic card reader with two reading heads. The two magnetic heads, moving with respect to the magnetic card, take the same data from the magnetic card and obtaining two modulated data. As indicated in previous Office Actions(s), the previously cited references to Ohno et al. and Nakajima disclose similar reader structure and demodulating methods. However, the cited
15 references, taken alone or in combination, fail to teach a particular apparatus and the methods wherein the two reading heads read the same data; and the same data being independently modulated and checked against each other for error detection and error correction as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the
20 payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
